The Master report was read to the meeting by the Secretary in his absence. No questions were raised.

3.4 Branch Representative's Report

The branch representatives had no further comments to the report as presented and no questions were raised from the floor.

3.5 Training Officer's Report

John Harrison, Branch Training Officer, summarised his report for the meeting. The only additional comments made were from the floor in that people should be asked what courses they wanted and these where possible should be organised. John Harrison then noted that this could be done but that volunteers would be needed to help run the courses and that if anybody was prepared to help could they please contact him.

John Harrison noted that the Towers Maintenance course had been run previously and that he nearly had enough people for another course. This was a course which was not just limited to ringers as the steeple keeper could be a non ringer.

3.6 Bookstall Officer's Report

There were no comments from the floor regarding the report as presented.

3.7 Newsletter Editor's Report

In the absence of the newsletter editor Rachel Moss noted that the first of the new look newsletters had been published in January and asked the floor for there comments. She also apologised for that the first newsletter had not been issued earlier but that due to other commitments she had not been able to meet the new editor to discuss format etc.

The overall view from the floor was positive but it was noted that an A5 size might be more practical. Rachel Moss noted this point and would advise the editor. It was also noted that any newsletter was only as good as it contents and articles sent to the editor would be greatly received. It was also noted that a reminder of copy deadlines would be sent out in advance of all issues.
